

Australian Rugby Choir Incorporated

Life Membership

*presented
in grateful recognition of distinguished service
to the Australian Rugby Choir
to*

MICK RICE

for

significant and sustained contributions to the development, administration, operational efficiency and reputation of the Australian Rugby Choir. Mick joined the choir in 1997 and has served with dedication in various capacities on its management committee for most of the period of his membership. He has led the organisation of several of the choir's annual concerts and contributed to the development of its extensive repertoire. Mick has also represented the choir in maintaining positive relations with other community organisations. Mick continues to make a substantial contribution to the efficient operation of the choir by organising, often at short notice, the attendance of appropriate musical support staff at practices and performances.
