

WARBLE 21 October 2010

From the President

What a Week-End

A great weekend was had by all at Moruya and Eden. Four "gigs" in total and our respective MDs were well pleased with the performances and attitude towards the job at hand.

Warragal Retirement Village

Similarly, at the retirement village in Queanbeyan on Tuesday with yet another MD, and with Miriam on the keyboard this time, the elderly people appreciated the offerings.

Member Welfare

I forgot to mention John Prout's being out of action last week. Sorry John. Hope you are on the mend and your ship cruise goes well.

See you all back at the Canberra Services Club next Tuesday night.

Regards

Neil

GIGS: Please attend to gig sheets.

October 2010

22nd October. AWM 9.30am for 10.00am

Please try and attend the AWM tomorrow Friday for the plaque dedication. 9.30 for 10.00.

31st October. Final MCAA practice with Alpha

Our attention is on Alpha's practice session next Sunday week and then the MCAA Concert in Sydney. Your bookings and arrangements should be close to finalisation so that finishing touches can be put on the Yellow Book songs.

November 2010

Please get your names on that list soon for the 19th November.

Members are strongly urged to support this very important event and should note that the MCAA Festival of Male Voices is only three weeks away. If you have not yet done so, you are encouraged to book travel and accommodation. Note that time will be limited at lunch time on the Sunday. You are strongly advised to bring a packed lunch, and not rely on being able to buy lunch in the vicinity.

Thank you for the very good response so far with bookings of members and partners for the Annual Recognition Dinner

London Calling - Update

Just thought I would flag to you the great news that our own Madam Lash, the inimitable Andrea Clifford, has thrown her hat in to the ring with the London Concert Musical Director and Choir Master to be considered for the position of Coordinator of the Australasian contingent to perform at the Concert. Several shipping containers were filled with her resume and transported to mother England post haste! Should Andrea be selected for the role, it will put our Choir in a very favourable position in terms of being "in the know" about all aspects associated with our contribution for the first part of the Concert. Fingers crossed!!

As always the Warble is available in the [latest news](#) section on our website. www.rugbychoir.org.au

In accord

Paul
