

From the President

Doorkeepers

In a couple of week's time, Darryl Cupitt will be going away until the end of August and Phil Gallagher will be away until the Winter Break.

Des Grayson has offered to act in Darryl's place for the longer period. We all thank Des.

We still need another person to assume Phil's position for the shorter period please.

Warble News 19 May 2011

This gig was always promoted as one where we would use books and sing in unison so please familiarise yourselves with the single melody for each of the six songs and make up one small folder with only the pages of words so efficiently prepared by Ian Johnson recently. Thanks again Johnno.

Annual Retreat 17-18 September in Goulburn

Please ensure that you can attend this weekend traditional retreat. This year we expect to need practice not only for our Concert but also for the Police Memorial Service and the Heart Foundation Service.

As we expect to be provided very soon with the Oceania Confederation's repertoire choices for the 2012 London Concert, we are hopeful of including some of that in our concerts. Plenty of notice has been given via the forecast calendar so try to do your part to complete the arrangements and planning that are well underway.

Remember, try to attend both days but if you can attend only one day, that is fine also.

Blazer Sub-committee

Your committee will be meeting on Tuesday 24th May for a special meeting to consider progress, information, recommendations and samples of the Blazer sub-committee.

Sibelius files

Members should note that all converted Sibelius files remain the property of the Australian Rugby Choir and must not be transferred to third parties other than other financial members of the ARC.

Remember

All these files and this Warble are available on the website.
