Credo

The group has been together for about 10 years.

They have performed at the Stage 88 Christmas Concert in Canberra as well as a variety of functions in the ACT and surrounding areas.

They have sung in The Great Hall of Parliament House and have twice performed for visiting dignitaries at Government House as guests of the Governor-General.

Bruce Harvey has a strong background in musicals with solo roles with Canberra Philharmonic including Les Miserables and The Music of Sondheim.

Mick Rice is a member of the Australian Rugby Choir and has been entertaining in the Canberra region as a soloist for many years

Brian Triglone has a folk background and has appeared on national television as a duo with his wife Bette. Brian is also conductor of The Gospel Folk.

Michael Eley also has a folk background and along with Brian and Bette, was a member of The Treblefolk which had its genesis at Wesley many years ago.

Credo's music is truly eclectic. They sing everything from John Williamson to Opera including Folk, Irish music, Australian ballads, Gospel and songs from musicals.

The majority of their songs are a cappella but with occasional guitar accompaniment.

Almost all their material is arranged by the group with little committed to paper.

Credo have just released their first CD

The Wesley Music Foundation wishes to thank Bruce, Mick, Brian and Michael for their generous support for the "Wednesday Lunchtime Live" Series.
